I had the opportunity to visit Public Service Credit Union and West Side Beer Distributing, both a family-owned company deeply embedded in the Downriver community. Small businesses like these are crucial of our local economy, contributing significantly to the job market. That is why I have introduced the Small Business Workforce Pipeline Act to support apprenticeships. I have also co-sponsored the Investing in Main Street Act in order to boost small business investments. Recognizing their importance, I am dedicated to advocating for their success in Congress.

Meeting with International Association of Machinists and Aerospace Workers

--

I was honored to attend the International Association of Machinists and Aerospace Workers Congressional Reception, a forum for workers to voice their concerns, share their experiences, and seek support from lawmakers. The event showcased the significance of collective action and highlighted the importance of unity among workers. Hardworking individuals should be able to unite to obtain the full reward of their labor. I am fighting to get Medicare for all so that our workers can have access to comprehensive healthcare, which is a crucial component of the fair and just society we aim to achieve.
