Trey Hollingsworth" <trey@mail.house.gov> To: Carter.Moelk@mail.house.gov Subject: Holding China Accountable for COVID-19 Date: Mon, 21 Jun 2021 15:01:54 -0400 Dear Hoosiers, Last month, I signed a letter with over 200 of my Republican colleagues demanding a full Congressional investigation into the origins of COVID-19-specifically China's role in the outbreak. Despite growing evidence that the novel coronavirus was created and spread from China's Wuhan Institute of Virology (WIV), House Democrat leadership has refused to further examine exactly how and why this pandemic started. Dear Hoosiers, Last month, I signed a letter with over 200 of my Republican colleagues demanding a full Congressional investigation into the origins of COVID-19-specifically China's role in the outbreak. Despite growing evidence that the novel coronavirus was created and spread from China's Wuhan Institute of Virology (WIV), House Democrat leadership has refused to further examine exactly how and why this pandemic started. Read the full letter here While our collective understanding of the virus' nature has grown over the last year and a half, we still lack basic knowledge on the origins of COVID-19. Hundreds of thousands of Americans died from this virus, and everyone was affected by the impact of this outbreak. I support a full Congressional investigation into the origins of COVID-19 and implore my Democratic colleagues to help us understand China's role in this pandemic.
