THE LATEST FROM WASHINGTON ■

<div>MY SIX PRIORITY BILLS</div>

<div><p>This week marks 150 days since I was sworn in as your Congressman!</p><p>&nbsp;</p><p>Here are just a few of the priority bills that I am championing:</p><ul style="list-style-type: none">The PRO Act: Joining a union should be a right, not a fight. The PRO Act will hold exploitative employers accountable, will allow workers to join unions without interference and negotiate better pay and benefits, and create a more fair economy.Women's Health Protection Act: This bill will undo Texas' abortion ban and guarantee reproductive rights across America. This will also undo the Supreme Court's recent anti-abortion rights decisions.Assault Weapons Ban: Weapons of war simply don't belong in our schools, sanctuaries, or streets. We've banned the sale of assault weapons before and we must do it again.Green New Deal: By passing the Green New Deal, we can create millions of good, union jobs that ensure Texas is a global leader in renewable energy.New Way Forward: Immigrants make our nation better, our state better, and our communities better. By ending mandatory detention and preventing family separation, our country can return to the American promise written on the Statue of Liberty.Equality Act: Through amending the Civil Rights Act of 1964 to provide explicit protections from discrimination on the basis of sex, sexual orientation, and gender identity, we can ensure that LGBTQIA+ Americans are treated equally and fairly across the country, and undo many of the worst attacks on our neighbors.</div>

people. If that wasn't bad enough, recent headlines about corruption within our nation's court show why it's essential we clean up our judiciary and expand the bench.

Because of those efforts, everything we care about - our rights to vote and access abortion care, our safety against discrimination and from gun violence, the fate of our climate, and our right to organize at work - is under attack by the far right.

That's why the Congressional Progressive Caucus endorses court expansion and reform through the Judiciary Act. Congress should put the American people back in charge of our democracy.</p> <p
