

From: Congresswoman Nanette Barragán <RSVP.Barragan@mail.house.gov> To: CA44AllStaff@mail.house.gov Subject: Vaccine Updates and More Date: Fri, 29 Jan 2021 22:20:36 -0500 Vaccine Updates and More January 29, 2021 Dear Neighbor, I remain committed to doing all that I can to help our community get vaccinated.

Unfortunately, there has been a troubling trend of racial inequity in the rollout of the vaccine. I am pushing for more doses and more testing sites in our communities, free and safe transportation to vaccine sites, and more capacity on the phone lines where people can schedule vaccine appointments. I have been communicating with federal, state and local agencies to push for more immediate action on these issues. Sigo comprometida a hacer todo lo posible para ayudar a nuestra comunidad a vacunarse. Desafortunadamente, ha habido una tendencia preocupante de injusticia racial con la distribución de la vacuna.

Estoy insistiendo para más dosis y más sitios de pruebas en nuestra área, transporte seguro y gratuito y a los sitios de vacunas, y más capacidad en las líneas telefónicas donde la gente harán sus citas de vacunas. In this newsletter you will find COVID vaccine information, resources in our community and updates from DC including environmental Policy Updates. If you no longer live in the district, or want to unsubscribe from this newsletter, please click here. Vaccine Updates and More January 29, 2021 Dear Neighbor, I remain committed to doing all that I can to help our community get vaccinated.

Unfortunately, there has been a troubling trend of racial inequity in the rollout of the vaccine. I am pushing for more doses and more testing sites in our communities, free and safe transportation to vaccine sites, and more capacity on the phone lines where people can schedule vaccine appointments. I have been communicating with federal, state and local agencies to push for more immediate action on these issues. Sigo comprometida a hacer todo lo posible para ayudar a nuestra comunidad a vacunarse. Desafortunadamente, ha habido una tendencia preocupante de injusticia racial con la distribución de la vacuna.

Estoy insistiendo para más dosis y más sitios de pruebas en nuestra área, transporte seguro y gratuito y a los sitios de vacunas, y más capacidad en las líneas telefónicas donde la gente harán sus citas de vacunas. In this newsletter you will find COVID vaccine information, resources in our community and updates from DC including environmental Policy Updates. If you no longer live in the district, or want to unsubscribe from this newsletter, please click here. COVID-19 Vaccine Updates and Information The vaccine supply is extremely limited in L.A. County. While we wait for more doses of the existing vaccines to be made available and a potential single shot option in the months ahead, we must continue to take all precautions. I encourage you and your family to get the COVID-19 vaccine when it becomes available and you are eligible. Los Angeles County's Vaccine Distribution page describes the phases and tiers of vaccination, with more information about how these phases will roll out. As a reminder, L.A. County residents 65 and older are now eligible to receive the vaccine. Healthcare Workers, Staff & Residents at Skilled Nursing Facilities, and Staff and Residents at long-term care facilities are also eligible to receive the vaccine. You can find out when it is your turn to receive a vaccine by signing up on the statewide 'My Turn' website. As the vaccine is still a limited resource, appointments at each vaccination site are limited. To make an

appointment for yourself or a loved one, visit www.Vaccinatelacounty.com. If you aren't able to make an appointment online, call 1(833) 540-0473. You should also check with your local clinic or healthcare provider and ask if they will have access to the vaccine. Again, vaccines are still very limited and in high demand. Expect delays on phone lines and high traffic on websites. Please try the sites at different times of the day, since appointments are being added on a rolling basis. I recommend checking the website every morning because new appointments are being added every day. Know that officials are aware of the technical difficulties and are working to fix them. ¿Se pregunta cuándo será elegible para recibir la vacuna COVID-19? Es importante que todos reciban la vacuna COVID-19 cuando sean elegibles. La página de Distribución de Vacunas del condado de Los Angeles describe la fases y niveles de vacunación, y con más información sobre cómo se implementarán estas fases. Debido al impacto severo que la pandemia continúa teniendo en nuestros vecinos y familiares mayores de 65 años, el condado de Los Angeles ha priorizado el grupo de edad, haciéndolos elegibles para recibir la vacuna. Las personas que trabajan para el Programa de Servicios de Asistencia en el Hogar (IHSS) que atienden a pacientes también son elegibles para recibir la vacuna. Haga una cita como trabajador de la salud con anticipación y someta la documentación necesaria, como prueba de empleo de IHSS y una forma de identificación. Como la vacuna sigue siendo un recurso limitado, las citas en cada centro de vacunación son limitadas. Para hacer una cita para usted o un ser querido, visite www.Vaccinatelacounty.com. Si no puede hacer una cita en línea, intente llamar al 1-833-540-0473. También debe consultar con su clínica o proveedor de atención médica y preguntar si tendrá acceso a la vacuna. Visite VaccinateLACounty.com para obtener información actualizada sobre las vacunas COVID-19 y para averiguar cuando será elegible para recibir una. Puede averiguar cuando es su turno de recibir una vacuna registrándose en el sitio web estatal 'My Turn'. Espere retrasos en las líneas telefónicas y mucho tráfico en los sitios web. Recomiendo consultar el sitio web todas las mañanas porque cada día se agregan nuevas citas. Pruebe los sitios en diferentes horarios del día, ya que las citas se agregan de forma continua y sepa que los trabajadores oficiales están al tanto de las dificultades técnicas y están trabajando para solucionarlas. Vaccine Scams Be aware of vaccine scams, here are the facts about the vaccine in L.A. County. Estafas de Vacunas Tenga en cuenta las estafas de vacunas, aquí está información correcta sobre la vacuna en el condado de Los Angeles: COVID Vaccine Telephone Town Hall Report Back On Tuesday, we held a Vaccine Telephone Town Hall with Supervisor Janice Hahn and L.A. County Public Health's Dr. Seira Kurian. If you missed the event, you can listen here. Supervisor Hahn answered many of the FAQs on her Twitter account the following day. Información de el Foro Telefónico de Vacunas El martes, tuvimos una reunión telefónica sobre la vacuna contra el COVID con La Supervisora Janice Hahn y la Dra. Seira Kurian de Salud Pública del Condado de Los Angeles. Si se perdió el evento, puede escucharlo aquí. Transportation and the Vaccine Lack of transportation should not be a barrier to getting your vaccine. All of the pharmacy and clinic locations are walk-up, and drive-thru sites, like the big County-run sites, will accommodate walk-ups. Several ride sharing apps are also offering free or discounted rides to vaccination sites.

Check your apps for more information. Fiesta Taxi is offering South Gate seniors free transportation to the Downey Vaccination site. Transporte y la Vacuna contra el COVID El transporte no debe ser un obstáculo para recibir su vacuna. Hay varios lugares donde no necesita un automóvil para vacunarse. Varias aplicaciones para viajar en auto también están ofreciendo viajes gratuitos o con descuento a los sitios de vacunación. Revise sus aplicaciones para obtener más información. Fiesta Taxi ofrece transporte gratuito a las personas mayores de edad de South Gate al sitio de vacunación en Downey. Affordable Rideshares Last December, Metro Micro launched a ride share program allowing passengers to travel anywhere within a specific service zone for only \$1 per ride. The first service zones were designated for the LAX area and the communities of Watts and Willowbrook. This week, Metro Micro expanded to three new service zones, including one which will cover Compton and California State University, Dominguez Hills. More information here. En diciembre del año pasada, Metro Micro lanzó un programa de viajes en auto que permite a los pasajeros viajar a cualquier lugar dentro de una zona de servicio específica por solo \$ 1 por viaje. Esta semana, Metro Micro expandió. Ahora servirá en las comunidades de Watts, Willowbrook, Compton y la Universidad de California, Dominguez Hills. Más información aquí. COVID-19 & Resources in Our Community Stay at home order status Governor Newsom has lifted the stay-at-home order and announced that all counties in California will be moving back to a system of colored tiers. L.A. County will be in the highest-risk tier, purple. This means that, although outdoor dining is now open, the risk of spread is still very high and restrictions are still in place. Orden de estadía en casa El gobernador Newsom ha levantado el orden de estadía en casa. Aunque los restaurantes de comer al aire libre están abiertos, el riesgo de infección es todavía muy alto y las restricciones todavía están en su lugar. Types of Masks Please keep wearing your masks! Experts always recommend the N95 mask if you have access to one. If you don't, it's always best to double-mask, or use a mask with three or more layers. If you're using cloth masks, remember to wash your masks frequently and cycle between different ones. Los Tipos Recomendados de Mascarillas Expertos siempre recomiendan la mascarilla N95 si tiene acceso a una. Si no, siempre es mejor usar doble mascarilla o usar una mascarilla con tres o más capas. Si usas mascarillas de tela, recuerde lavarla con frecuencia y alternar. Outbreak at our Ports I've been very concerned about the recent outbreak of COVID-19 at the Ports of Los Angeles and Long Beach. This outbreak impacts my constituents and their family members who work there, the surrounding communities, and could have catastrophic consequences on the local and national economy that depend on the ports. Congressman Alan Lowenthal and I joined together in writing a letter to the State and County to highlight the importance of prioritizing port workers in vaccine distribution. It's critical that we protect the essential workers who keep our port infrastructure operating and our goods flowing. Brote en nuestros puertos Me ha preocupado mucho el reciente brote de COVID-19 en los puertos de Los Angeles y Long Beach. El congresista Alan Lowenthal y yo escribimos una carta al estado y al condado para insistir la importancia de dar prioridad a los trabajadores del puerto en la distribución de vacunas. Rent Relief in South Gate Applications open

February 1, 2021. More information here! CA Eviction Moratorium Bill Extended through June 30th, 2021 California Gov. Gavin Newsom signed a law on Friday that extends eviction protections through the end of June. Tenants who qualify for the protections will still owe their rent, they just can't be evicted for not paying all of it. The law would use federal stimulus dollars to pay off 80% of some tenants' unpaid rent, but only if landlords agree to forgive the remaining 20%. If landlords refuse the deal, the law would pay off 25% of tenants' unpaid rent to make sure they qualify for eviction protections. People who earn more than 80% of the area median income are not eligible for the money. Updates from Washington, D.C. The Federal Response to COVID-19 President Biden has announced a comprehensive COVID-19 plan, which includes buying millions of new doses of the vaccine that will hopefully be available in the summertime. Negotiations over the next coronavirus relief plan continue. I will continue to push for regular, direct payments, expanded unemployment benefits, small business support, and rent/utility relief. El Gobierno Federal en respuesta a COVID-19 El presidente Biden ha anunciado un plan extenso de COVID-19, que incluye la compra de millones de nuevas dosis de vacunas, que se espera que sean disponibles este verano. Las negociaciones sobre el próximo plan de alivio de coronavirus continua. Yo sigo insistiendo por pagos regulares, directos, beneficios de desempleo expandidos, ayuda para negocios pequeños y alivio de alquiler. Environmental Policy Updates This week was a busy one for environmental justice and climate action. President Biden announced several Executive Orders on climate and environmental justice, which I am proud to see and happy to support. I reintroduced the Energy Resilient Communities Act with Rep. Yvette Clarke. The bill invests in 100% clean energy microgrids to help communities fight climate change and keep the lights on after extreme weather events such as wildfires and hurricanes. I reintroduced the Climate Smart Ports Act to invest in pollution reduction at ports across the country, including the Port of Los Angeles. I also led a letter with 26 of my colleagues asking President Biden to reverse a last minute decision by the Trump administration to eliminate funding for urban parks in underserved communities. Actualizaciones de Política Ambiental Esta semana, el Presidente Biden anunció varias órdenes ejecutivas sobre el clima y la justicia ambiental, que estoy orgullosa y contenta de apoyar. Reintroduje la Ley de Comunidades Resistentes a la Energía para luchar contra la crisis climática con la Congresista Yvette Clarke. También reintroduje la Ley de Puertos Climáticamente Inteligentes para invertir en la reducción de la contaminación en puertos de todo el país, incluido el Puerto de los Angeles. Finalmente, dirigí una carta pidiéndole al presidente Biden que cambiara la decisión de la Administración Trump que hizo a última hora de eliminar fondos para los parques urbanos en comunidades de pocos recursos.
