It was there in Annapolis that I embarked on a life-long career in public service to our country. To now be the one who nominates the next generation of students to our service academies is an incredible honor. If you are interested (or you are the parent of a child who is interested) in attending one of our nation's service academies, or if you would like more information about ROTC scholarship programs, I invite you to join my office and me for a Service Academy Information Webinar on Monday, October 4 at 5:30 PM. My staff will be available to discuss the nomination process and we will have representatives from the U.S. Military, Naval, Air Force, Coast Guard, and Merchant Marine Academies, and Army, USMC, Navy, and Air Force ROTC. Service Academy Information Webinar Hosted by the VA Newark Regional Office and Operation Sisterhood Monday, October 4, 2021 5:30 PM With speakers from U.S. Military, Naval, Air Force, Coast Guard, and Merchant Marine Academies, and Army, USMC, Navy, and Air Force ROTC To register, click here. I'm incredibly honored to serve the 11th District and will continue to work hard on the issues that will move New Jersey, and this country, forward.
