

From: "Rep. Veronica Escobar" <Veronica.Escobar@mail.house.gov> To: Juan.Caballero@mail.house.gov Subject: TEST A Month in Review: March 2024 Congressional Update Date: Tue, 02 Apr 2024 15:29:30 -0400 Final 2023 Banner (<https://escobar.house.gov>) Dear Mr. John Doe, March will always be a special month for El Paso because of Castner Range. This year, we're celebrating the first anniversary of its designation as a national monument by President Biden. After decades of hard work and advocacy, our efforts paid off and it brings me such joy to know the crown jewel of West Texas will be protecting for generations to come. I was also able to attend President Biden's State of the Union address earlier this month. Members of Congress are permitted to invite a guest to attend with them, and I had the opportunity to share this special night with Eduardo Carasco. Because of the Inflation Reduction Act, Mr. Carasco is one of the seniors across the country saving money on healthcare costs due to the law's provision capping insulin prices at \$35. March 2024 Batch 1 (.) It was wonderful to meet with trailblazing small business owners, visionary craftspeople, and remarkable mothers in El Paso! These multifaceted and devoted women make our community better and brighter. Thank you so much to Adopt a Mom EP for hosting me! I hope to be back soon! El Pasoan Eduardo Carasco saw his insulin prices drop from \$83 to \$35 because of the Inflation Reduction Act. I'm so proud to have had him join me for the State of the Union celebration of the life-changing, transformative wins by Democrats and President Biden. General Greer served in WWII, Korea, and Vietnam, becoming a trailblazer with the integration of the Army's general office ranks. It was an honor to meet General Edward Greer, recognize his extraordinary life and military career, and wish him a happy 100th birthday! March 2024 Batch 2 At heart, I will always be an educator and feel right at home in a classroom! Many thanks to Professor Arias and the UTEP students I spoke with this week about the Dignity Act, my bipartisan, comprehensive immigration reform bill. Did you know that women-owned businesses employ over 10 million Americans and contribute more than \$2 trillion to our GDP each year? I stopped by Pronto Body Shop to talk with Tiffany about small business policies and take a tour of her facility. It's been a year since the dream of protecting Castner Range for future generations came true when President Biden declared it a national monument. It was lovely to stop by the El Paso Museum of Archeology and visit their Castner Range exhibit.
