Now, they're threatening marriage equality... Jon, First, Republicans came for abortion. Now, they're threatening marriage equality. You heard me right. When the Supreme Court overturned Roe v. Wade, Justice Thomas publicly proclaimed that same-sex marriages were next on the chopping block. I won't let them take away your rights or our progress as a nation. Do you support marriage equality? In response to these attacks on our hard-won freedoms, House Democrats passed the Respect for Marriage Act - a bill that would protect the right to marry who you love. Shamefully, 157 MAGA Republicans voted against this bill that Americans overwhelmingly support. I was proud to vote for every person's fundamental right to marry the person they love and to defend equality for all. Because this isn't about politics, it's about your family and your freedom. I promise you, I will always put people over politics as I continue to fight for you, and for progress, in Washington. Sincerely, Congresswoman Katherine Clark Assistant Speaker of the House of Representatives \*It is my job to listen to
