Date: Mon, 04 Nov 2019 21:25:17 -0500 Dear John, I believe climate change is the greatest and most urgent threat to our country and the world. I support the Green New Deal because it is past time for the federal government to adopt a comprehensive, bold, and equitable approach to combat the ongoing climate crisis and the effects it has on our communities and future generations. Do you support the Green New Deal? I want to hear from you. Please take one minute to share what you think using the survey below. **DO YOU SUPPORT THE GREEN NEW DEAL?** YES NO I look forward to hearing what you have to say.
