Friend, We are in the midst of a historic border crisis. According to new U.S. Customs and Border Protection data, there were 221,303 migrant encounters at the southern border in March - a 542% increase from 2020. Despite these staggering numbers, President Biden plans to renounce Title 42 - a key policy in deterring migrants from attempting to illegally cross the U.S. southern border during the pandemic - on May 23, 2022. We are a nation of laws and must continue to keep America safe, and that includes having a secure southern border. I want to hear your thoughts on this important issue.
