The law includes some of the largest investments in drinking water and wastewater infrastructure, public transit, roads and bridges, broadband, and electric vehicles in our nation's history. </P> <p style="text-align: left;" > </P> <p style="text-align: left;">Thanks to the law, our community received:</p> \$25 million for the Rio Reimagined 3rd Street Bicycle-Pedestrian Project; \$16 million for the City of Phoenix and Valley Metro to purchase battery-electric buses and construct charging infrastructure; \$11 million to install electric vehicle (EV) charging stations along key roads and highways across the state; \$6.5 million for Phoenix Sky Harbor International Airport to begin work on construction of a new taxiway; and, \$2.3 million for Isaac Elementary District to purchase six new zero-emission and low-emission school buses. This is just the beginning. In the coming years, Arizona will receive billions more. I will keep working to deliver these dollars for the Valley and across Arizona.
 <p>

style="text-align: left;">Very truly yours,
Congressman Ruben Gallego
