| <p style="text-align: center;"><br><span style="font-size: 12pt;">September 6, 2022</span> </p><p style="text-align: left;"><span style="font-size: 12pt;">Dear Austin,</span> </p><h2 style="color: #18416a; text-align: center;"><span style="font-size: 18pt;">The Biden Administration's Historic Student Loan Debt Relief</span></h2><p><span style="font-size: 12pt;">Every student should be able to achieve the lifelong benefits of a quality higher education without crushing debt. However, for too many that is not reality. Since 1980, the total cost of both four-year public and four-year private college has<br><a href="https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=VA03RS&crop=15367QQ" target="\_blank" rel="noopener">nearly tripled</a>, even after accounting for inflation. Federal support has not kept up: Pell Grants once covered<br>nearly <a href="https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=VA03RS&crop=15367QQ" target="\_blank" rel="noopener">80 percent</a> of the cost of a four-year public college degree for students from working families, but now only cover a third. That has left many students from low- and middle-income families more dependent than ever before on student loans, if they want to get a degree.<br><br><span style="font-size: 12pt;">For the most vulnerable borrowers, the effects of debt are even more crushing. Many borrowers did not finish their degree, because the<br><a href="https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=VA03RS&crop=15367QQ" target="\_blank" rel="noopener">cost of attendance</a> was too high. About<br><a href="https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=VA03RS&crop=15367QQ" target="\_blank" rel="noopener">16% of borrowers</a> are in default – including nearly a third of senior citizens with student debt – which can result in the government garnishing a borrower's wages or lowering a borrower's credit score.<br><br><span style="font-size: 12pt;"><a | | |

[>](https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=VA03RS&crop=15367QQ)**President Biden announced a plan to provide more breathing room to America's working families as they continue to recover from the strains associated with the COVID-19 pandemic.**</a>  
This plan offers targeted debt relief as part of a comprehensive effort to address the burden of growing college costs and make the student loan system more manageable for working families. President Biden announced that the Department of Education will: &nbsp;&nbsp; </span> <br> <br><span style="font-size: 12pt;"><strong>-Provide targeted debt relief to address the financial harms of the pandemic. The Department of Education will provide up to \$20,000 in debt cancellation to Pell Grant recipients with loans held by the Department of Education, and up to \$10,000 in debt cancellation to non-Pell Grant recipients.</strong> Borrowers are eligible for this relief if their individual income is less than \$125,000 (\$250,000 for married couples). No high-income individual or high-income household – in the top 5% of incomes – will benefit from this action. To ensure a smooth transition to repayment and prevent unnecessary defaults,&nbsp;&nbsp; the pause on federal student loan repayment will be extended one final time through December 31, 2022.&nbsp;&nbsp;&nbsp;Borrowers should expect to resume payment in January 2023.</span> </p> <p><strong><span style="font-size: 12pt; text-align: center;">-Make the student loan system more manageable for current and future borrowers by:</span></strong> </p> <ul> <li><span style="font-size: 12pt;">Cutting monthly payments in half for undergraduate loans.&nbsp;&nbsp;&nbsp;The Department of Education is proposing a new income-driven repayment plan that protects more low-income borrowers from making any payments and caps monthly payments for undergraduate loans at 5% of a borrower's discretionary income—half of the rate that borrowers must pay now under most existing plans.&nbsp;&nbsp;&nbsp;<br></span></li> <li><span style="font-size: 12pt;">Fixing the broken Public Service Loan Forgiveness (PSLF) program by proposing a rule that borrowers who have worked at a nonprofit, in the military, or in federal, state, tribal, or local government, receive appropriate credit toward loan forgiveness.&nbsp;&nbsp;&nbsp;These improvements will build on <a href="https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=VA03RS&crop=15367QQ" target="\_blank" rel="noopener">temporary changes</a> the Department of Education has already made to PSLF, under which<a href="https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=VA03RS&crop=15367QQ" target="\_blank" rel="noopener"> more than 175,000 public servants have already had more than \$10 billion in loan forgiveness approved</a>.</span></li> </ul> <p><span style="font-size: 12pt;">Additional information on the <a href="https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=VA03RS&crop=15367QQ" target="\_blank" rel="noopener"><strong>Biden-Harris Administration's Student Debt Relief Plan</strong></a> can be found by visiting <a href="https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=VA03RS&crop=15367QQ" target="\_blank" rel="noopener"><strong>StudentAid.gov/DebtRelief</strong></a>.</span> More information about how to apply for student debt relief will be posted on <a href="https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=VA03RS&crop=15367QQ" target="\_blank" rel="noopener"><strong>StudentAid.gov</strong></a> in the coming weeks. value="100028"> </form> </p> <p style="text-align: left;"><em>By taking this  
survey, you will automatically be signed up to receive updates from my  
office.</em> <br> <br><span style="font-size: 12pt;">We must also remember  
that, while debt cancellation is good news for those who currently hold student  
loans, it does not solve the underlying problems that caused the student debt  
crisis in the first place: the exorbitant cost of college, the declining  
purchasing power of the Federal Pell Grant, and our flawed student loan  
system.&nbsp;Without reversing the chronic underinvestment in higher education  
that has driven up tuition costs, and without fixing our student loan system  
that has made student loans more expensive to take out and harder to pay off,  
students will continue to take on more debt and borrowers will continue to face  
rising debt levels.&nbsp;This will remain one of my top priorities as the  
Chairman of the House Committee on Education and Labor.&nbsp;</span> <br>  
<br><span style="font-size: 12pt;">To support student loan borrowers—both now  
and in the future—Congress must take bold action to reinvest in higher  
education and provide every student loan borrower with the resources needed to  
access a quality higher education that leads to a rewarding career. <strong>I  
have also called on the U.S. Department of Education to extend the Public  
Service Loan Forgiveness waiver, which ends on October 31,  
2022.</strong>&nbsp;</span> <br> <br><span style="font-size: 12pt;">I will  
continue working alongside the Biden-Harris Administration and my congressional  
colleagues&nbsp;to lower the costs of higher education.</span> <br> <br></p>
