we're against. That is why we oppose this amendment. That is one of the reasons why we oppose this underlying bill. Now, from the very beginning of this Congress, House Democrats have made clear we want to find common ground with our Republican colleagues on any issue, whenever and wherever possible, if it relates to making life better for everyday Americans. House Democrats are all about putting people over politics, fighting for things like lower costs, growing the middle class, safer communities, things that will make a difference, solve problems in the lives of everyday Americans. And part of the challenge that we face is that the extreme MAGA Republican agenda continues to be focused on the wrong things. Extreme MAGA Republican agenda, focused on defaulting on America's debt, shutting down the government, crashing the economy, criminalizing reproductive freedom, cutting Social Security and Medicare, impeaching President Biden and doing nothing to deal with affordability issues or improving the quality of life of everyday Americans. That's a shame. And so, yes, we're going to continue to oppose Republican efforts to criminalize abortion care now, tomorrow, next month, next year and forever until this effort to take away reproductive freedom is buried in the ground, never to rise again."
