There are several key provisions in this legislation that will help keep small businesses afloat and employees financially stable.

To help business owners navigate this law, my team has compiled a Small Business Owner's Guide to the CARES Act with a breakdown of all the information you need to know about how this bill will impact your business and employees.

You can find more information in the guide here. </p> <p>

 </p> <p style="padding-left: 10px; text-align: left;">For the most updated information about how to keep you and your family safe, you can find my COVID-19 Community Resource Guide here. </p> <p style="padding-left: 10px; text-align: left;"></p> <p style="padding-left: 10px; text-align: center;">MONEY IN YOUR POCKET </p> <p style="padding-left: 10px; text-align: left;">The CARES Act also includes direct payments to the American people to help make ends meet during the COVID-19 pandemic.

Individuals making up to \$75,000 (\$150,000 for married workers) will receive payments of \$1,200 with an additional \$500 payment per child under age 17. The payments decrease for workers who earn more than \$75,000 per year and stop altogether for single workers making more than \$99,000 (\$198,000 for married workers and \$218,000 for a family of four.)

These rebates will be delivered by mail to Americans who file individual federal income tax returns, or via electronic direct deposit in place of a physical check when available.

In order to receive these rebates, taxpayers must have valid Social Security Numbers for themselves and qualifying children.

You can find out more information about 2020 rebates in my Community Resource Guide here. </p> <p style="padding-left: 10px; text-align: center;">
