Date: Thu, 20 Jan 2022 13:45:29 -0500 Hello Jon, Happy 400th Thanksgiving! In the last year, we've overcome so much. The pandemic has challenged all of us, but with the incredible innovation of the COVID-19 vaccine, we can gather and celebrate more safely this holiday season. The ingenuity, perseverance, and generosity that has come from MA-5 is a constant inspiration and one of the many things I'm thankful for this year. What are you thankful for? Submit Open in browser I'm grateful to the scientific community, led by scientists from Massachusetts, for developing the COVID-19 vaccines that saved millions of lives. I'm grateful to the first responders and health care providers, who continue to selflessly care for others ill from COVID-19. I'm grateful for the incredible activists in MA-5 who fight against discrimination and adversity as we work to recover equitably and peacefully from the pandemic. I'm grateful for President Biden's American Rescue Plan, which helped small businesses and working families stay afloat and recovered our economy faster than anyone predicted. And I am grateful we passed the Build Back Better agenda, a landmark set of bills to give working families a massive tax cut, universal pre-k, address climate change, improve roads and bridges, and add two million jobs per year for the next decade. Alongside my gratitude, I know there is much work to do to make our community whole after a difficult few years and to correct the many injustices that still impact America. Top of mind is, of course, are our Indigenous neighbors. Please know that most of all, I am thankful to work on your behalf and to partner with you on a rebuilding a stronger, more inclusive tomorrow for everyone. Happy Thanksgiving, Congresswoman Katherine Clark Assistant Speaker of the House of Representatives *It is my job to listen to Massachusetts families.
