Visit My Mobile Office Hours Date: Wed, 12 Jan 2022 11:44:27 -0500 News from Representative Rouzer January 12, 2022 Dear Friend, Navigating the bureaucracy of the federal government can be frustrating. As your Congressman, I am pleased to help you with federal government agencies. If you are having trouble with Social Security, the IRS, the VA, passports, Medicare or other issues handled by federal agencies, my staff and I may be able to help resolve the problem or get the information you need. Although I cannot override the decisions made by a federal agency, I can often intervene on a person's behalf to get questions answered, find solutions, or just help cut through the red tape. My staff will resume Mobile Office Hours this month. This program affords those unable to visit my district offices the opportunity to meet with my staff and receive services at a more convenient location. Below, you will find the schedule for our Mobile Office Hours. Feel free to stop by with any questions or concerns you may have.
