Peter, Our office just hit a new milestone in its efforts to serve our
constituents - we have now resolved more than 3,500 constituent cases! I'm
so grateful to my hardworking staff, without whom none of this would be
possible. From day one, they have worked arduously to resolve the many
constituent casework needs brought to our attention - helping veterans receive
benefits payments they were due, helping relatives return home from dangerous
situations overseas, helping taxpayers receive long-awaited refunds or resolve
tax disputes, helping seniors in our community receive Social Security or
Medicare payments, expediting passport or green card processing, and so much
other important work that impacts the lives of my constituents. Monday,

important than serving the constituents I was elected to represent. That
includes not only my work on their behalf in Washington, but also the important
work being done in our district to serve Hudson Valley families. I'm so
glad we have been able to help so many residents and make their lives a little
bit easier. If you have need of assistance in dealing with a federal agency or
service, please don't ever hesitate to reach out. We are here to help! Help us
improve our constituent service by letting me know what need most applies to
you or your family in the survey below! What constituent service
issue is of the most need or the most interest to you or your family?
 Veteran benefits or VA claim Social Security
or Medicare payment Passport processing
 Visa or green card issue Tax issue
