

From: "Rep. John Duarte" <Duarte.press@mail.house.gov> To: Alexa.Manning@mail.house.gov Subject: TEST \$2.2 Million for Cheaper Groceries in Turlock Date: Tue, 23 Jul 2024 14:21:30 -0400 \$2.2 Million for Cheaper Groceries in Turlock Dear John, When you see massive storms, you might not see what I see as a farmer. When I saw flooding like in 2023, I saw lost crops, a potential food shortage, and higher grocery prices. ([https://urldefense.com/v3/\\_\\_https://www.cbsnews.com/sacramento/news/rain-farms-higher-prices-](https://urldefense.com/v3/__https://www.cbsnews.com/sacramento/news/rain-farms-higher-prices-)) This shortage allows grocery stores to charge higher prices. I am 100% committed to bringing down grocery prices, so I secured \$2.2 million for projects in Turlock to make your groceries cheaper. The funding covers 95% of the Positive Drainage and 67% of the Golden State Sewer Extension Projects! This means it won't strain your local budget, and we can start these upgrades immediately. Soon, there will be less flooding, safer streets, and better sanitation throughout town. This upgrade will make Turlock safer to live and work by protecting your homes and businesses from flooding. Don't just hear it from me - here is your municipal services director, Chris Fisher, discussing the projects ([https://urldefense.com/v3/\\_\\_https://www.turlockjournal.com/news/government/duarte-brings-turlock](https://urldefense.com/v3/__https://www.turlockjournal.com/news/government/duarte-brings-turlock)) , "The \$2.2 million gets us a lot of engineering on a lot of the projects."
