Date: Fri, 24 Mar 2023 10:51:21 -0400 Representative Lori Trahan (<https://trahan.house.gov>) Friend, Welcome to the Third District! I want to take a moment to introduce myself. I'm Lori Trahan, and I've had the honor of representing Massachusetts' Third District – including my hometown of Lowell – for the past 4 years. With the shift in congressional district boundaries last year, you are now part of the Third District! I wanted to be the first one to say welcome! Like all of you, I call the Commonwealth – and the Third District – home. I grew up here, I chose to raise my two daughters here, and now I have the tremendous responsibility to represent our community in Congress. The towns and cities that comprise the Third District guide my work, and I am so thrilled to welcome Billerica to that group! I make it a top priority to stay in touch with everyone I represent, and I regularly share updates on my work in Washington and throughout the District. We've helped thousands of folks over the years with everything from delayed tax returns, stalled veteran benefits, expired passports, and so much more. If you think we can be helpful, give us a call at (978) 459-0101. Although I'm in Washington this week, I look forward to meeting you in person when I'm back home real soon.
