To: Luisa Gunn <luisa.gunn@mail.house.gov> Subject: Next time disaster strikes,  
we can be prepared Date: Thu, 22 Jun 2023 17:40:20 +0000 Dear Luisa, I haven't  
forgotten the storms that caused damage and flooding across San Mateo County  
earlier this year. We need to be prepared before disaster strikes. That's why I  
recently introduced legislation that would help low-income homeowners  
weatherize their property for climate-driven natural disasters and extreme  
weather. You can read more about my bill here. Do you want to hear about the  
next legislation I introduce? Subscribe to my newsletter for updates Sign up
