Friend, Listening to constituents like you is the most important part of my job. I hope you will take a few minutes to share your thoughts through this quick survey. Recent reports indicate that President Trump asked the President of Ukraine to interfere in the 2020 US election. I believe this undermines our national security and democracy. This should be alarming to every American. As many of you may know, I fully support Congress moving forward with an official impeachment inquiry. No individual stands above the law, even the President. **DO YOU SUPPORT THE ONGOING IMPEACHMENT INQUIRY?** YES NO It is my job to listen to the families of Massachusetts third district. Please fill out this survey to share your views and join my email list to stay up to date. Sincerely, Lori Trahan Member of Congress
