About Clean Energy Jobs

I visited **Capstone Green Energy** to discuss the importance of investing in an environmentally-friendly economy to support local jobs. As of 2021, 38,000 workers in CA-29 were employed in clean energy and an additional 37,000 worked jobs that will be in higher demand<sup>1</sup> as we transition to an economy that is cleaner, healthier, and safer for all of us. These jobs are the future, and I'm proud that we're investing in them in Congress and here in the Valley.

1. Joint Economic Committee Democrats
