Legislative Wins for VA-01

I deeply appreciate all the opportunities I've had this year to speak with folks in the First District and hear what they would like to see from me as their representative in Washington. It's the thoughts and insights of the folks I represent that guide my decision making in Washington, and while we've faced challenges in 2024, there are many accomplishments to celebrate as well. As we enter the new year, I'm looking forward to even more accomplishments in 2025, but I want to take this moment to share my legislative work during the 118th Congress. My team is always ready and willing to answer your questions about legislation and policies impacting you and take down your thoughts and concerns. If you would like to share your ideas or get answers to your questions, [click here to contact my office](#).

This year, I've been busy promoting 325 pieces of legislation that I've introduced or cosponsored during the 118th Congress. These bills focus on supporting small businesses and veterans, expanding educational opportunities, protecting the environment, supporting a strong national defense, and much more. Whether it is closing the digital divide or strengthening our economy, please know that I am working for you.

In 2024, I was proud to advocate for the 32 bills that I've personally introduced in the 118th Congress.

This year, I worked with my colleagues across the aisle to promote the 15 bipartisan bills that I introduced with a Democratic cosponsor in the 118th Congress.

This year, I signed onto 69 bipartisan bills as a cosponsor, bringing my total to 195 bipartisan bills that I proudly cosponsored during the 118th Congress. While there can be legislative disagreements with my colleagues across the aisle, I know that we provide the best results for those we represent when we work together. I will continue working to find solutions through common sense legislation. To learn more about the legislation I have introduced, [click here](#).

As we move into 2024, I want you to know that I remain committed to providing real, long-lasting solutions for the folks of Virginia's First District. I will continue to work with my colleagues on both sides of the aisle to ensure that you are being best served and represented in Washington. It's when we work together - not apart - that we deliver the best results for our constituents. I look forward to serving you in 2025.
