

From: "Office of Rep. Mullin" <repkevinmullin@mail8.housecommunications.gov>
To: Luisa Gunn <luisa.gunn@mail.house.gov> Subject: Climate resilience is urgent, we can be prepared Date: Thu, 22 Jun 2023 18:58:23 +0000 Dear Luisa, In the face of worsening climate change, I believe Congress needs to help the most vulnerable in our communities build climate resilience. That's why I recently introduced legislation to help low-income homeowners weatherize their property to be more resilient to climate-driven natural disasters. You can read more about my bill [here](#). Do you want to hear about the next legislation I introduce?
