

From: "Rep. Young Kim" <repkim@mail8.housecommunications.gov> To: Justin Doil <justin.doil@mail.house.gov> Subject: Supporting Small Businesses in Our District Date: Tue, 27 Apr 2021 13:34:54 +0000 Dear Justin, Small businesses in California have been the hardest hit in the nation during COVID-19, with 40,000 small businesses closing their doors and nearly half of those closures permanent. From Fullerton to Rowland Heights, Yorba Linda to Chino Hills, I have talked to small business owners of all backgrounds who faced unprecedented challenges such as temporary closures, staff layoffs, rising expenses and drastic cuts in revenue. As a small business owner, I understand the hardships and challenges that come with starting a small business. While we often see startling statistics about business closures, we also cannot forget the human impact. Businesses closing doors comes with employee layoffs and individuals unable to pay their bills, put food on the table or provide for their loved ones. That is why I am proud to serve on the House Small Business Committee and am committed to supporting our small business owners, including providing relief as we safely reopen our communities in addition to creating policies that promote workforce development and economic growth for years to come. I visited Autopedic Body Center in La Habra to hear about their experience during COVID-19 and how I can support them in Congress as we work to safely reopen our communities. I am also excited that four months into my first term in Congress, three bipartisan bills I co-authored to support small businesses have passed the House of Representatives, and one has become law. Learn more about my work to support small businesses in my latest op-ed for the Orange County Register. As always, my team and I are here to serve you. Please do not hesitate to reach out to my office with any questions or concerns. For updates on my work for you in Congress, I encourage you to sign up for my e-newsletter and follow me on Facebook, Twitter, Instagram and YouTube at @RepYoungKim. Sincerely, Young Sincerely, Rep.
