As more and more of us get the shots, the people in our community are better protected from COVID-19 and we get closer and closer to putting this pandemic behind us. If you have not done it yet, please go and get your COVID shot. They are safe, they are free – you do not need insurance, and no citizenship documentation is required. Los Angeles County Board of Supervisors Chair Hilda L. Solis has launched a new vaccination site in our district in Walnut Park. 2655 Walnut Street, Huntington Park CA 90255 The site will be open Mondays, Wednesday and Fridays From 9 AM – 5 pm (but closed for lunch from noon – 1 PM) Appointments can be made by visiting <https://vaccine.fulgentgenetics.com/>. The site will also accept walk-ups who do not have an appointment. Both the Pfizer and Johnson & Johnson vaccines will be available at the Walnut Park site, with Pfizer available to everyone 12 years and older (a parent or guardian must be present for children younger than 18) and Johnson & Johnson will be available to everyone 18 years and older.
