coming across the border are moving to Wisconsin. The city of Whitewater is
witnessing a dramatic increase in migrants flowing into the community. Last

They highlighted a rapid influx of individuals, many of whom require social services. </p> <p style="text-align: left;">In December of last year, the Whitewater Police Chief wrote a letter to President Biden requesting help with an increase of migrants in the city. The letter outlined how “Law enforcement staff have responded to a number of serious crimes linked to immigrants in some manner, including the death of an infant child, multiple sexual assaults, and kidnapping.” </p> <p style="text-align: left;">Another challenge of the broken border is the impact on the drug trade. In November 2023, Walworth County law enforcement reported that they tracked roughly \$250,000 in transactions funneled to the Gulf Cartel, one of Mexico's largest drug cartels, over a four-month span.

National Police Week

| |
|---|
|  It's National Police Week. Established by a joint resolution of Congress in 1962, National Police Week pays recognition to those law enforcement officers who lost their lives in the line of duty. |
|  This week, I had the opportunity to welcome the Milwaukee Police Association to our nation's Capitol. I'm grateful for our law enforcement officers who put their lives on the line every day to protect our community. I invite you to take a moment this weekend to thank a police officer and remember the law enforcement officers who lost their lives in the line of duty. |
| Ensuring Fair Regulations |
|  Last week, the law firm Cleary Gottlieb released an independent, apolitical report confirming reports of widespread and entrenched misconduct at the Federal Deposit Insurance Corporation (FDIC). The report outlines a toxic workplace culture at the agency, as well as verbally abusive behavior by Chair Martin Gruenberg. |
| I joined my colleagues on the House Financial |

Services Committee this week to hold Chair Gruenberg—who has led the FDIC for ten of the last thirteen years—to account for these long-standing problems by demanding he resign.

Making Sure American Elections are for American Citizens

| |
|--|
|  |
|--|

The U.S. Constitution protects the right of citizens of the United States to vote in our elections. In fact, federal law makes it a felony for noncitizens to vote in federal elections. Most, but not all states outlaw noncitizen voting in their elections. American elections are for American citizens. I'm working to keep it that way.

Every American deserves to have confidence in their elections. This week, I chaired the [Committee on House Administration](https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=WI01BS&crop=15628.713) hearing on noncitizen voting and preventing foreign interference in our elections.

[Click here](https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=WI01BS&crop=15628.713) to watch the full hearing.

I also [introduced legislation](https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=WI01BS&crop=15628.713) to close loopholes that allow foreign nationals to fund elections operations. By doing so, we are one step closer in preventing foreign involvement in American elections. I'm committed to stopping foreign influence in U.S. elections and protecting U.S. donor privacy.

Inflation Remains High

The Bureau of Labor Statistics released the [Inflation Graph](https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=WI01BS&crop=15628.713)

target="_blank" rel="noopener">April 2024 consumer price index this week. The consumer price index, a broad measure of how much goods and services cost at the cash register, increased 0.3% from March, the Labor Department's Bureau of Labor Statistics reported. </p> <p style="text-align: left;">The Joint Economic Committee (JEC) State Inflation Tracker estimates that the average household in Wisconsin is paying \$952 more per month to purchase the same basket of goods and services as they did in January 2021. Cumulatively since January 2021, the average Wisconsin household has spent \$22,932 more due to inflation. </p> <p style="text-align: left;">As more and more Wisconsin families fall behind under the impacts of inflation, it is critical to work to bring government spending under control. I recently joined Fox Business to discuss the impact an 18% increase in cost of living is having on our Wisconsin families, and workers. </p> <p style="text-align: left;">Click here to watch the full interview. </p>
