

From: Congresswoman Lori Trahan <Rep.LoriTrahan@mail.house.gov> To: David.Todisco@mail.house.gov Subject: My commitment Date: Wed, 11 Nov 2020 08:14:37 -0500

Dear Friend, As we celebrate Veteran's Day, I wanted to take a moment to express my deepest gratitude for every veteran, servicemember, and their loved ones here in our community and across our nation. Whenever the United States has found itself in need, millions of men and women have stepped up without hesitation. Time and time again, Americans have answered the call of duty and served selflessly. While we spend time today commemorating their service and that of veterans who are no longer with us, I believe that we must also recommit ourselves to having their backs the same way they've heroically had ours. That's the commitment that I make to you today. I will do everything I can in the coming weeks and months to ensure that our veterans suffering from the effects of exposure to toxic chemicals and fumes have the health care they deserve. I'll continue working to put an end to the veteran suicide crisis that is resulting in 20 veterans tragically taking their own lives each day. And I'll work with anyone - Republican or Democrat - to curb veteran homelessness that has pushed those who bravely served our nation onto the streets. We have a lot of work to do to ensure that our veterans are treated like the heroes we all know they are. I look forward to tackling that work head-on with the advice and support of veterans and advocates here in the Third District. I hope you'll join me in that commitment. Thank you and Happy Veteran's Day. Warm Regards, Lori Trahan Member of Congress P.S. Due to the ongoing public health crisis, my offices will continue to be physically closed. However, my staff and I are teleworking full time and can be reached via phone at 978-459-0101 or by email at Rep.LoriTrahan@mail.house.gov.
