construction site, learn more about the design and construction (the steel is from Pennsylvania!), and meet with the school administrators. The new building will be used by roughly 1,000 students from 9th to 12th grade and include a full high school curriculum, including music, on top of its STEM focus.

Reading High School, locally known as "The Castle," has been overcrowded for years. The new building will alleviate overcrowding on the main campus and provide students with a robust learning opportunity. As a former chemistry teacher and an engineer, I cannot wait to see our students and educators in the new building and what they will discover about STEM!

Do you need assistance with emergency travel? We can help. Especially when dealing with the passing of a loved one, passports and traveling abroad can be stressful. My office is here to help. Rajesh from West Chester needed to get to India to perform an important ritual for his deceased mother. We were able to expedite Rajesh's passport processing in Philadelphia, helping Rajesh reach India in time.

Do you, or someone you know, need help with passport and international travel issues? Please do not hesitate to reach out to our office via this form. We are happy to assist you!

Leading Bipartisan Wins for our Military Community

House Armed Services Committee's 11-hour markup of the annual defense bill

I would be remiss if my bipartisan good news didn't mention the all-day committee markup for the National Defense Authorization Act (NDAA) - the defense bill that is signed into law every year! It was a long day where my colleagues and I, both Republicans and Democrats, came together to debate amendments and draft this important piece of legislation that directly impacts our national security. I'm thrilled that the base of the bill was built on my work as Ranking Member of the committee's military Quality of Life Panel. You can learn more about the dozens of provisions I successfully championed in the defense bill here.

Now that the bill has advanced out of committee, the next step is to vote on the House Floor. I look forward to sending a bipartisan bill to the Senate and future negotiations to ensure we are delivering for our brave men and women in uniform.

Serving as our community's representative is the honor of my lifetime, and I hope to hear from you soon about any issue that concerns you.

As always, please contact my office if you need assistance. Be well, and see you soon!

Chrissy Houlahan

U.S. Member of Congress
