

From: "Rep. Young Kim" <repkim@mail8.housecommunications.gov> To: justin.doil@mail.house.gov Subject: Delivering Resources to Victims of Domestic Violence Date: Thu, 08 Apr 2021 12:24:14 -0400 Dear Friend, According to the CDC, more than 1-in-3 women have experienced sexual violence in their lifetime, and about 1-in-5 women report experiencing severe physical violence from a partner in their lifetime. In 2019 alone, CA-39 saw 55,446 calls for assistance due to domestic violence in Orange, Los Angeles and San Bernardino Counties. That's why I was proud to join my House colleagues to pass the bipartisan Violence Against Women Reauthorization Act (VAWA) to protect and provide critical services to victims of domestic abuse, assault, violence and stalking. VAWA funding has supported many local efforts such as: Costs of legal efforts for victims; Training for health care personnel; Resources for law enforcement to respond to cases of domestic violence; and, Education for college campuses to prevent sexual assaults, including at Cal State Fullerton. This bill is not perfect, and there's still much more work to do, but it's a step in the right direction toward supporting these victims and taking a stand against abuse. I'll continue to do all I can in Congress to support victims of domestic abuse. As always, my team and I are here to serve you. Please do not hesitate to reach out to my office with any questions or concerns.
