

**A**

 Jon, Last year, I was proud to deliver more than \$260,000 in federal funding to help Woburn study and plan to replace an abandoned school with a public park. A year later, I'm back with more good news for Woburn: I'm bringing home nearly \$3 million to break ground on Hurld Park! This is a great win for our community and our local environment. I want to hear from you: DO YOU SUPPORT THE NEW HURLD PARK PROJECT? These funds will help protect eight acres of vulnerable wetlands, improve water quality and climate resiliency for the surrounding area, establish new walking trails, and build a children's play area for Woburn residents to enjoy for years to come. As I toured the future Hurld Park last year, I was so impressed with the thoughtful vision of our local leaders. Now, I'm thrilled to have played my part in ensuring that their vision will soon become a reality. Sincerely, Congresswoman Katherine Clark Democratic Whip \*It is my job to listen to Massachusetts families — please take my survey to let me know your views and opt-in to email updates.
