09 Jul 2024 13:37:06 +0000 Hello, Free and fair elections are the backbone of

our nation. Since January 2021, over 10 million illegal aliens have crossed our border, and many states have committed to providing them with driver's

licenses. This is why it is crucial, now more than ever, to ensure security and

integrity in our elections. The Safeguard American Voter Eligibility (SAVE) Act

would uphold and strengthen our election laws by requiring proof of citizenship

– in person – when registering an individual to vote. Do you think that illegal immigrants should be able to vote in U.S. elections? Yes No Taking this survey

will sign you up for future news and updates from my office. Sincerely, Rep.
