Supporting IVF for

Families

Families are made in many different ways. Building a family is part of the American dream but can be difficult and seem out of reach for many. Infertility affects

[millions of Americans](https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=WI01BS&crop=15527.73246378.5823326.8438106) at some point in their

life. In vitro fertilization (IVF) helps many of those Americans start and grow their families.

This week, I was proud to join my colleagues in support of the

[Increasing Value for Families \(IVF\) with HSA's Act](https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=WI01BS&crop=15527.73246378.5823326.8438106).

This legislation helps individuals and families better plan and pay for medical expenses, like IVF.

The bill expands eligibility for Health Savings Accounts (HSAs) and increases the current contribution limits on those HSAs. Specifically, the legislation would decouple HSAs from high-deductible health plans and double the current contribution limits on HSAs from \$4,300 to \$8,600 for individuals and \$8,550 to \$17,100 for families. This will allow families to plan for larger medical expenses like IVF and be able to grow their families.

By expanding HSA eligibility and increasing contribution limits for those HSAs, I am pursuing solutions that will help aspiring parents make their dreams reality. I'm proud to stand by our young

families. </p> <p style="text-align: left;">Click here to read the full bill. </p> <p style="text-align: center;">Helping to Relieve the Immigration Crisis in Whitewater </p> <table style="width: 100%; border-collapse: collapse; margin-left: auto; margin-right: auto;" border="0" cellpadding="3" align="center"> <tbody class="ui-sortable"> <tr> <td style="width: 100%; text-align: center;"></td> </tr> </tbody> </table> <p style="text-align: left;">The Institute for Reforming Government (IRG) released a new report after an investigation into how America's broken immigration system has placed burdens on the City of Whitewater. IRG's report shows in detail how the failure to secure the southern border has led to a cartel running illegal operations in our community. </p> <p style="text-align: left;">In November, I hosted a roundtable with Walworth County and Whitewater law enforcement. We outlined the impact illegal immigration is having on the community and how the influx of migrants has included Mexico's Gulf Cartel infiltrating Whitewater. </p> <p style="text-align: left;">To help deal with the influx of new arrivals to their town, the City of Whitewater Police Department submitted a grant application to the U.S. Department of Justice (DOJ) Community Oriented Policing Services (COPS) Office. If the request is approved by the DOJ, the Whitewater Police Department would be able to hire three additional police officers. </p> <p style="text-align: left;">To support their efforts, in June I called on DOJ Director Hugh Clements to approve the Whitewater Police Department's grant application and provide them with the added support they need.</p> <p style="text-align: left;">I joined Fox Business to address the Biden-Harris administration's immigration crisis and the impact it's having here in Wisconsin. </p> <p style="text-align: left;">Click here to watch the full video. </p> <p style="text-align: center;">Preventing Noncitizen Voting</p> <p style="text-align: left;">The right to vote is a fundamental principle of the United States of America. </p> <p style="text-align: left;">In recent years, we have seen increasing number of jurisdictions across the country allow noncitizens to vote in their elections. In our nation's capital, noncitizens are eligible to vote in municipal elections. For example, a noncitizen only has

to reside in Washington, D.C. for 30 days in order to register to vote. In June, the House voted 262-143 to end this practice in D.C.

Every illegal vote cancels out the legal vote of an eligible American voter. We cannot allow this to spread across the U.S.

></td></tr></tbody></table><p style="text-align: left;">Ensuring our laws are being enforced to prevent noncitizen voting is critical. As Chairman of the Committee on House Administration, I recently led the passing of the Safeguarding American Voter Eligibility Act (SAVE Act) in the House of Representatives. </p><p style="text-align: left;">The SAVE Act will prevent noncitizens from voting in federal elections by requiring states to obtain documentary proof of U.S. citizenship and identity in-person when registering an individual to vote in federal elections. </p><p style="text-align: left;">Watch me discuss the SAVE Act on the House Floor here: </p><table style="width: 100%; border-collapse: collapse; margin-left: auto; margin-right: auto;" border="0" cellpadding="3" align="center"><tbody class="ui-sortable"><tr><td style="width: 100%; text-align: center;"></td></tr></tbody></table><p style="text-align: left;">It seems like a simple and obvious idea. Yet, many in Congress oppose this common-sense legislation. They argue that it is already illegal for noncitizens to vote in federal elections. But it is also against the law to evade Border Patrol and illegally enter the country. That hasn't stopped the more than 7 million migrants Border Patrol has encountered at the southern border during the Biden-Harris administration's tenure. </p><p style="text-align: left;">By passing the SAVE Act, Congress took a crucial step to prevent noncitizen voting and secure our elections. While much work still remains, I will continue fighting to protect our elections. </p><p style="text-align: center;">A Summer of Celebration</p><table style="width: 100%; border-collapse: collapse; margin-left: auto; margin-right: auto;" border="0" cellpadding="3" align="center"><tbody class="ui-sortable"><tr><td style="width: 100%; text-align: center;"></td></tr></tbody></table>
