know, daylight savings time is a longstanding international practice of changing clocks to match the daylight hours throughout the year. During the fall and winter months, there is typically less sunlight, while the spring and summer months have more sunlight. The Uniform Time Act of 1966 established a federal standard for how to observe

daylight savings time, although states can choose to opt out, and Illinois has not opted out.

I want to hear your thoughts on daylight savings, which I will keep in mind should any bills regarding keeping a permanent time be brought up to the floor of the House of Representatives for a vote.

What

should Congress do with regard to Daylight Savings Time?
