supporter of the Second Amendment, I am firmly committed to standing up for our liberties and pushing back against any infringements upon our constitutional rights.

Currently, veterans who choose to use a fiduciary to help them manage their budgeting can be reported by the Department of Veterans Affairs (VA) to the FBI's National Instant Criminal Background Check System (NICS) and prohibited from purchasing new firearms or possessing existing firearms.

Denying veterans the right to own a firearm simply because they hired a professional to help with their finances is just wrong! That is why I am proud to have supported an

Veterans should not lose their Second Amendment rights because they sought help managing their money.</p> </div> </td> </tr>
