width: 569.132px;">    Dear Christopher,  <span
style="font-family: arial, helvetica, sans-serif;">BIG NEWS: <strong>Last week,
President Biden signed into law the historic Inflation Reduction
Act</strong>,&nbsp;legislation that will lower health insurance premiums,
prescription drug costs, and energy bills - and make historic investments to
clean up pollution and advance environmental justice!</span> Once again,
I was the only Member of Congress from Alabama to vote in favor of this
transformational bill. But as my dad always said, "it's okay to stand
alone if you're standing up for what you believe."  <table
style="text-align: center; height: 278px;">  
<img width="1200" style="display:
inline-block; margin: 1%; max-width: 98%;;" title="BidenSignsIRA.jpg"
src="https://iqconnect.house.gov/iqextranet/Customers/AL07TS/BidenSignsIRA.jpg"
alt="Image">   <td style="height: 19px;
width: 538px;"><strong><em>President Biden signs the Inflation Reduction Act
into law</em></strong>    The Inflation Reduction
Act will not raise taxes on anyone making less than $400,000 per year. Instead,
it is fully paid for by ensuring that billionaires and and large corporations
begin to pay their fair share in taxes.   <strong>In fact, it would actually
cut the deficit by <a
href="https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=AL07TS&crop=15216QQQ27
target="_blank" rel="noopener">hundreds of billions of dollars</a>.</strong>
 Here are just some of the major ways the Inflation Reduction Act cuts
costs and fights climate change:  <img
width="600" style="display: block; margin: 0 auto; max-width: 100%;;"
title="LoweringPremiums.png"
src="https://iqconnect.house.gov/iqextranet/Customers/AL07TS/LoweringPremiums.png"
alt="Image"> With the American Rescue Plan, Congressional Democrats made
significant improvements to the Affordable Care Act (ACA) which allowed <a
href="https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=AL07TS&crop=15216QQQ27
target="_blank" rel="noopener">more Alabamians</a> to afford health insurance.
However, the ACA's enhanced tax credits would have expired at the end of 2022,
stripping millions of Americans and many Alabamians of their health insurance.
 By extending these subsidies, <strong>the Inflation Reduction Act
locks in lower health care premiums for <a
href="https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=AL07TS&crop=15216QQQ27
target="_blank" rel="noopener">209,000 Alabamians.</a></strong>  <p
style="text-align: left;"><img width="600" style="display: block; margin: 0
auto; max-width: 100%;;" title="LoweringDrugPrices.png"
src="https://iqconnect.house.gov/iqextranet/Customers/AL07TS/LoweringDrugPrices.png"
alt="Image">  Seniors in Alabama are being crushed by the high cost of
prescription drugs. I know seniors who are rationing their insulin just to
afford the basics. In this nation of so much wealth and prosperity, this is
unconscionable, and Democrats in Congress are finally putting an end to this
```

```
be allowed to negotiate lower prescription drug prices for the first time in
U.S. history.</strong>  The Inflation Reduction Act also caps
out-of-pocket drug costs for seniors on Medicare, <strong>ensuring that no
Medicare beneficiary will pay more than $2,000 per year for prescription
drugs.</strong> For Medicare beneficiaries with diabetes, <strong>the
Inflation Reduction Act caps out-of-pocket insulin costs at $35 per
month</strong>.  <img width="600"
style="display: block; margin: 0 auto; max-width: 100%;;"
title="EnvironmentalJustice.png"
src="https://iqconnect.house.gov/iqextranet/Customers/AL07TS/EnvironmentalJustice.png"
alt="Image"> The Inflation Reduction Act represents one of the most
significant investments by Congress to fight climate change, clean up
pollution, and advance environmental justice. <strong>It will tackle the
climate crisis and is projected to reduce greenhouse gas emissions by
roughly <a
href="https://iqconnect.house.gov/iqextranet/iqClickTrk.aspx?&cid=AL07TS&crop=15216QQQ27
target="_blank" rel="noopener">40 percent</a> by 2030.</strong>  Thanks
to a provision that I proudly cosponsored, the Inflation Reduction Act
reinstates a fee on crude oil and petroleum products to ensure that Superfund
sites like the one in North Birmingham have the resources they need to clean up
our environment. The bill also includes my legislation, the Carbon Capture and
Sequestration Expansion Act, to reduce pollution and promote carbon capture
technology.  Lowering health care and drug costs, fighting inflation,
tackling climate change, making wealthy corporations pay their fair share,
cutting the deficit... <strong>This is what happens when PEOPLE win out over
special interests.</strong>  ><strong>The Inflation Reduction
Act delivers for the American people and puts Alabama on a greener,
healthier, and more prosperous path!</strong>&nbsp;I was so proud to cast my
vote for this bill and can't wait to see all that it will do for Alabama's
seniors and families. In Congress, I will continue to put the needs of
Alabama's 7th Congressional District first. Please be sure to check in
regularly with our <a
