sans-serif; background-color: #ffffff;"> Dear friend, </P> I am happy to
announce that colleges and universities in Riverside County will receive more
than $54 million in emergency funding as a result of the Coronavirus Aid,
Relief, and Economic Security (CARES) Act, which Congress passed on March 27.
At least half of the funding each institution receives will be distributed to
students in the form of emergency cash assistance grants to help pay for
housing, food, and other basic essentials.<br/>
<br/>
students have been
sheltering in place, often far from loved ones, without financial security.
They need relief and assistance from the federal government to support them in
these uncertain times. This funding is necessary to support students'
needs as they navigate the response to the coronavirus outbreak. As a former
public-school teacher in a low-income community, I've seen the struggles
students face both inside and outside of the classroom. I will keep fighting
for the needs of students, families, and workers in future legislative
packages.<br> <br >The colleges and universities in California&#8217;s 41st
District that are receiving grants and the grant amounts received are: </P>
University of California, Riverside: $29,734,626Cal Baptist
University: $7,913,118
Riverside City College: $10,831,532 Moreno Valley College:
$3,681,844
emergency higher education relief funding to help students and institutions
during the COVID-19 pandemic. Yesterday, the Department of Education announced
the first $6 billion of that funding will be immediately sent to institutions
so they can begin providing grants to struggling students.<br/>br> The CARES
Act also includes an additional $1 billion – which will be distributed at
a later date – for Historically Black Colleges and Universities (HBCUs),

Tribal Colleges and Universities (TCUs), other Minority-Serving Institutions,
and other under-resourced institutions.<br> <br> To read more about emergency
