night, Republicans passed their disastrous Default on America Act. They're
running the same old GOP playbook: Give more to the wealthy and well-connected.
Stick hardworking Americans with the bill. Threaten economic disaster if we
don't play along. They aren't just playing politics with Social Security and
Medicare, they're playing chicken with American seniors. SHOULD CONGRESS REJECT
THE GOP'S DEFAULT ON AMERICA BILL? This bill poses a staggering threat to our
seniors. It would tear away food assistance from 15,000 older adults in
Massachusetts, increase housing costs, and put 288,000 Bay Staters at risk of
losing their health care. And to top it all off, a Republican default would
endanger Social Security and Medicare benefits, while draining $20,000 from
seniors' retirement accounts. The MAGA Majority has made clear who they're
fighting for: billionaires and big corporations. Meanwhile, I'm proud to be on
the side of the America's seniors. Sincerely, Congresswoman Katherine Clark
