at risk in this country. <span class="ui-provider gs b c d e f g h i j k l m n

the Second Amendment has recently been subjected to onerous regulations by
officials at the ATF.</span></span>  <p style="font-size: 11pt;"

font-family: 'Times New Roman', serif;"> banning stabilizing braces by the ATF
subjects millions of law-abiding gun owners to felony charges over a piece of
plastic. This new ruling affects law-abiding gun owners, but particularly
impacts service-disabled veterans who use pistol braces while exercising their
Second Amendment rights. To those veterans, active-duty servicemen, national
guardsmen, and reservists, and your families, who have given so much to defend
our country, I will not sit idly by while the Federal Government comes after
your Second Amendment rights.</span> <p style="font-size: 11pt;"
font-family: Calibri, sans-serif;"><span style="font-size: 12pt; font-family:

effectively rewrite a law that was never intended to apply to firearm
accessories.</span><span style="font-size: 12pt; font-family: 'Times New
Roman', serif;"> I proudly supported Rep. Andrew Clyde's (R-GA) </span><a

font-family: 'Times New Roman', serif;"> to overturn this unconstitutional
ruling. Together with my Republican colleagues, we successfully pushed for a
vote on the House floor and passed the Clyde resolution on June 13th in an
effort to </span><span style="font-size: 12pt; font-family: 'Times New
Roman', serif;">stop this injustice.</span>  <p style="font-size: 11pt;
font-family: Calibri, sans-serif;"><span style="font-size: 12pt; font-family:

permanently address this issue. The Protecting Individual Sovereignty Through
Our Laws Act, or PISTOL Act, would prevent the ATF from considering pistols
with brace attachments to be short-barreled rifles under the National Firearms
Act (NFA), and would define in statute what a pistol is for the purpose of
being exempt from the NFA.</span> <p style="font-size: 11pt; font-family:

arbitrary regulations. It is my duty as your elected representative to
