ISSUES    MEDIA    SERVICES
Friends, I wanted to share with you a quick update from Washington. Here's
the bottom line:   Government funding runs out tomorrow night   - and
Congress must act quickly to meet the needs of working families and provide
much needed disaster relief for California. l am hard at work in
Washington trying to prevent this unnecessary crisis - but the
world's richest man, Elon Musk, a man no one has elected to anything, has
ordered House Republicans to shut down the government at the 11th hour. A
Government Shutdown, led by Musk, will have real consequences for the American
people, especially during the holiday season     how will a shutdown
impact you?   If the federal government shuts down, our communities,
economy, and national security can all be affected. A Shutdown will force our
nation's troops, federal law enforcement, and first responders to continue
working, but they would not receive a paycheck until the shutdown has ended. A
Shutdown will cut access for women & amp; children to federal food
assistance programs they rely on daily.  A Shutdown will degrade
airport security and air traffic control, meaning longer lines and more delays
as families travel for the Holidays. While certain benefits - like Social
Security, Medicare, SNAP, and Veterans Affairs - will still be
available, there may still be delays across the
federal government with these and other critical services. I will be
providing up-to-date guidance from federal agencies
on what to expect if there is a government shutdown.
