New grants for Maine's Second District

Strong infrastructure and economic opportunities make for strong communities. Thanks to resources made possible by the Bipartisan Infrastructure Law, the Northern Border Regional Commission (NBRC) is putting that concept into action across Maine's Second District.

The NBRC is a federal-state partnership tasked with promoting community development in northern New England, and I'm happy to share that their newest round of funding is delivering more than $6 million for 11 separate projects from Fort Kent to Beals, including:

1. **$1,000,000** to the **Beth Brunswick Memorial Fund** to build a licensed child care center in Rangely with a capacity of up to 74 children;
2. **$500,000** to the **Downeast Institute** to upgrade seasonal cottages into year-round housing for science personnel and new employees in Washington County;
3. **$484,000** to the **Maine Aquaculture Innovation Center** to promote workforce development in the aquaculture industry in Washington county;

style="color:#000;line-height:21px">$2,250,000 to the municipalities of Ellsworth, Grand Isle, and
Bethel to upgrade
water treatment systems; <li
style="padding:0;margin:0;color:#000;line-height:21px">$500,000 to the Aroostook Micmac
Council to expand its
aquaculture hatchery and improve economic and food resiliency within the
community; <li
style="padding:0;margin:0;color:#000;line-height:21px">$33,000 to the Beth C. Wright Cancer
Center to promote
community health care approaches and increase educational opportunities for
both patients and care providers in Washington county; <li
style="padding:0;margin:0;color:#000;line-height:21px">$1,300,000 to several towns and organizations
across the district to improve outdoor
recreation opportunities. <p
style="text-decoration:none;margin:0;padding:0;caret-color:#3e3e3e;color:#3e3e3e;text-align:left;line-heigh
<p
