From: Congressman Brian Mast <FL18BM.Outreach@mail.house.gov> To: Kyle.VonEnde@mail.house.gov Subject: Coronavirus Vaccine Information and Resources Date: Fri, 08 Jan 2021 13:01:56 -0500 News from Congressman Brian Mast THE LATEST ON CORONAVIRUS VACCINE DISTRIBUTION Kyle - As the coronavirus vaccine continues to be distributed across the country, I wanted to make sure you had access to the latest information on how to receive one in our community. Below you will find helpful resources related to the coronavirus vaccine, as well as updates from the Governor's Office and County Health Departments. If you have any questions, please do not hesitate to reach out to our office at 202-225-3026. About The Vaccine The Food and Drug Administration has granted emergency use authorization to two coronavirus vaccines produced by Pfizer and Moderna. Both of these vaccines are more than 95% effective when both doses are administered. Please contact your healthcare provider directly with any questions regarding the vaccine and your personal health. At this time, the COVID-19 vaccine will only be available to seniors from two sources - hospitals and county health departments. The Martin, St. Lucie and Palm Beach County Health Departments will be offering the vaccine in a way that best fits the needs of each community. Your local county health department will clearly communicate how and when they will be administering the vaccine. As of December 30, all county health departments have received the vaccine and many have begun vaccinating those 65 and older. Additionally, appointments are being made available to those in this category who wish to receive the vaccine. Martin County You can find more information about vaccine distribution in Martin County by visiting the Martin County Department of Health website. Vaccines may also be available at the following locations: Martin County Department of Health Individuals 65+ can call 772-221-4000 to schedule an appointment. Cleveland Clinic Martin North and South Hospitals in Stuart St. Lucie County You can find more information about vaccine distribution in St. Lucie County by visiting the St. Lucie County Department of Health website. Residents are also encouraged to sign up with Alert St. Lucie to get updates on when additional vaccines become available. Vaccines may also be available at the following locations: St. Lucie County Department of Health is holding a vaccination clinic for healthcare personnel with direct patient contact at the St. Lucie County Fairgrounds. The clinic will be held on Saturday, January 9 from 9:00am to 3:00pm or until the vaccine runs out. Healthcare workers must bring a government-issued ID, proof of employment as a healthcare professional (ID badge) and a mask to receive the vaccine. Cleveland Clinic Tradition St. Lucie Medical Center Lawnwood Regional Medical Center and Heart Institute Palm Beach County You can find more information about vaccine distribution in Palm Beach County by visiting the Palm Beach County Department of Health website.
